Furlanetto / start here

Artist platform and client delivery / 20 October 2026

Listen, discover and start a project

Open the artist platform to meet Furlanetto, explore the original photographs and review his Milwaukee appearances.

Open Radio for two 30-minute house studio sets by Prince Andre: House After Dark and House Originals, credited separately from Furlanetto.

Explore the four services: brand event DJ set; original score and sonic identity; track licensing; content plus DJ set. Read the scope and select your starting point.

Prepare a useful enquiry

1. Choose a service and complete the form with your project, date, location and contact details.

2. Review the draft, then open it in your email application. Review and send the email yourself.

3. Agree availability, scope, production, fee and rights directly with the responsible team. The enquiry does not reserve a date or grant music rights.

Start an enquiry / Watch the tutorial

What is included

• Illustrated artist book for bookers and editors.

• Silent photo films in horizontal and vertical formats.

• Social images derived from the supplied photographs.

• BOILER campaign: combined 30-second native Higgsfield video and approved flyer, with shorter editions and still artwork.

• Client manual in English and operating manual in Portuguese.

• Tutorial video with real platform screens, English narration and captions.

• Press lookbook, biography, supplied photographs and website-edition visual identity.

• International partnership options: separate workstreams or a coordinated programme.

Download the artist package or open the delivery desk.

Contact

Artist and bookings: SamuelSantanabrazil@gmail.com

Studio services and licensing: contatopuressencia@gmail.com

Account ownership, email confirmation and purchase validation have a separate setup process. Use the public enquiry for current project requests.
